

Group Health and Safety Policy

Kenda Tech Contracting LLC is not only committed to exceed client's expectations, we are also committed to being a leader on occupational health and safety.

We will not bend the rules just to compromise the health, safety and well-being of our people and those under our umbrella.

We mandate that each of our project must adopt occupational health and safety as a primary consideration in its activities, and to make sure professional work is carried in a safe manner.

As a promise, we will do the following terms:

- Eliminate Class 1 Personal Damage in our workplaces;
- Reduce Class 2 and Class 3 Personal Damage in our workplaces; and
- Acknowledge the right and responsibility of everyone at Kenda Tech Contracting LLC workplaces to decline to carry out work that is unsafe, until such time as it is made safe.

By working hand-in-hand, we will:

- Maintain health and safety management systems meeting the requirements and continually improving our performance;
- Maintain and an open environment and honest reporting;
- Setting and achieving clearly defined annual health and safety objectives

We acknowledge that every employee of Kenda Tech Contracting LLC shall made aware of their responsibilities in relation to occupational health and safety.
